To Whom It may Concern:

On behalf of the Building Committee we would like to thank you for a job well done.

We appreciate the way you expedited the work, following the fire in our sanctuary in December of 2005. After spending nearly 2 years on insurance settlement and design work, the construction work took only a matter of months. It was done in a timely manner and the quality of work was very good.

Everyone we came into contact with at T & W was professional and courteous and the line of communication was very good. We would not hesitate to recommend you to another group who is considering contractors.

Thanks Again,

Dan Adams
